DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with George B. Leavell on March 29, 2006.

The application has been amended as follows:

- a. Please cancel claims 1-8.

Allowable Subject Matter

2. Claims 9-20 are allowed over the prior art of record.
3. The following is an examiner's statement of reasons for allowance:

Regarding claim 9, the prior art fails to disclose or make obvious a plasma etch system having logic for normalizing a first reflected spectrum data corresponding to a first shot; logic for normalizing a second reflected spectrum data corresponding to a second shot; and logic for determining an endpoint based on a difference between the normalized first spectrum data and the normalized second spectrum data, and in combination with the other recited limitations of claim 9. Claims 10-11 are allowed by the virtue of dependency on the allowed claim 9.

Regarding claim 12, the prior art fails to disclose or make obvious a system of detecting an endpoint having logic for normalizing a first reflected spectrum data corresponding to a first

shot; logic for normalizing a second reflected spectrum data corresponding to a second shot; and logic for determining an endpoint based on a difference between the normalized first spectrum data and the normalized second spectrum data, and in combination with the other recited limitations of claim 12. Claims 13-20 are allowed by the virtue of dependency on the allowed claim 12.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
